What is a Special Event?

Special Events are gatherings/events that involve a large group of people (compared to the seasonal use of the site), and

- Are advertised to the public and do not occur regularly on the site or
- Impact or use Town of Wellesley streets (including curb or parking lane), sidewalks, and public rights-of-way; or
- Use Town facilities or property (i.e., Town buildings, parks, and parking lots).
- If your event/activity is one of the following, it will likely require a special event permit:
  - Outdoor concert and entertainment, public or semi-public, dance, recreation, or sporting events.
  - Circuses, carnivals, fairs and festivals.
  - Farmer's Markets.
  - Walks, runs, athletic, bicycle and vehicle races and rides.
  - Fireworks display
  - Street fair, craft show on a residential or commercial right-of-way which is likely to obstruct, delay or interfere with normal flow of pedestrian or vehicular traffic.
  - Car washes whereby the public is encouraged to attend.
  - Outdoor amplified sound.

- Other events as deemed by PFTF

Examples: road race, bike race, walk, parade, festival, market, carnival, and concert.

#### **Parking & Traffic Control Plan**

**You will need to include a Parking & Traffic Control Plan.** If your Event is to affect public rights-of-way with any one of the below conditions, your plan must address the relevant conditions. (Note: Public right-of-way extends beyond the paved or travel surface of a roadway):

- Restrict or close a roadway (lanes, bike lanes, shoulders, etc.)
- Restrict or close a sidewalk/pathway
- Restrict or close a driveway
- Restrict or close parking spaces
- Restrict or close a Public Parking Lot
- Directing traffic with the use of a Certified Flagger, Police Officer or signs
- Posting of any signs in the right of way
- Police Detail required

Examples of Traffic Control Plans:

A Traffic Control Plan should site specific map of routes or locations where event will take place:

- Streets and cross streets with lane configurations
- Location and placement of all required MUTCD advance warning signs (list type of signs to be used)
- Location and placement of all certified flaggers
- Placement of cones and cone tapers
- Show traffic, pedestrian and bike detours and/or delays
- Show affected businesses

#### **Trash Removal Plan:**

- All debris and trash must be removed from an event site immediately after the event. Failure to do so may require the Town of Wellesley to remove trash/debris. All expenses will be the responsibility of the event applicant. The applicant is required to provide recyclable receptacles at the event. When the applicant uses Municipal recyclable receptacles all rights of ownership are forfeited. All expenses will be the responsibility of the event applicant.
- User group may hire a Park staff person at \$45 per hour to handle all trash removal (overtime may apply on weekends & holidays)
- User group may pay \$100 per day of event to use onsite dumpster (if available) and/or trash removal provided by Department of Public Works (specific location for pickup provided by DPW)
- Map of trash receptacle locations must be included with Trash Removal Plan

#### **Deposit & Insurance requirements:**

- **Deposit: 25% of total fee and then paid towards balance unless damage and/or additional fees incurred.**
- **A certificate of insurance must be filed (10) working days before the event. The named insured must match the name of the event organization on the application and permit. Additionally, naming the Town of Wellesley as an additional insured with the following minimums:**

General Liability – Naming the Town as an Additional Insured:

- \$1,000,000 Occurrence
- \$3,000,000 General Aggregate
- DAMAGE TO RENTED PREMISES (Each Occ.) \$1,000,000
- MEDICAL EXPENSE (Any one person) \$5,000

#### **Restroom Plan:**

We estimate at least one (1) chemical toilet for every 100 people. Map of portable toilet locations must be included with Restroom plan. Delivery of portable toilets must be coordinated by the user group and Parks and/or Recreation Department when access to locked areas are needed. You may also coordinate the opening of a Town building for restroom use. School owned buildings contact School Business office (781-446-6210) and Town owned Buildings contact Recreation Department (781-235-2370)

APRIL 2019

Wellesley United Soccer Club – Memorial Day Soccer Tournament – May 27 & May 28, 2023

*Special Permit Supplement*

The Wellesley United Soccer Club (WUSC) will be hosting our annual soccer tournament for 3<sup>rd</sup> and 4<sup>th</sup> grade teams at the Sprague Fields Complex. The WUSC Memorial Day Tournament serves three purposes:

1. It is WUSC's main fundraiser to continue excellent programming and offerings to Wellesley players.
2. To promote Wellesley Soccer to other towns and clubs.
3. To offer the players a tournament experience and competitive soccer.

WUSC already holds the permit for the Sprague Fields for games and practices. This event will replace what normally would be practice and game times for the In-Town teams.

**Parking and Traffic:**

The Wellesley Police Department will set up NO PARKING signage on neighboring streets as they have done with past Memorial Day Tournaments. The Wellesley Police Department will also have a cruiser periodically patrolling the neighborhoods to ensure cars are being parked appropriately. Cones, barricades, and signage will direct traffic patterns in the Sprague School parking lot area. The Sprague parking lot will be restricted to attendees and their vehicles. No commercial vehicles and vendors will be allowed to park in this lot to ensure the safety of pedestrians and to keep traffic lanes unobstructed. Access points to the Sprague School will be kept clear.

The parking area by the Facility Building will be barricaded off and closed to the public and outside commercial vendors. This area will be used for concession trucks vetted and approved by WUSC, handicap parking, and parking for referees and the EMT.

Attendees will be directed to the Calvin Road lot when the Sprague School parking lot is full. Information regarding parking, restrictions, and maps will be posted on our website, and it will be sent to the participating teams. WUSC will request a police detail to be present to assist with monitoring the parking and traffic flow. WUSC will have volunteers assist the officer with parking management.

Any Town department will have access to the Facility Building. Access into and out of the Facility Building will not be hampered. As in the past, WUSC will coordinate with .....

**Security & Safety:**

As in years past, WUSC makes a request to the Wellesley Police Department for a detail to be present during the event. This would involve two shifts on both days (8:30 a.m. – 12:30 p.m. & 12:30 p.m. – 4:30 p.m.). WUSC pays for this service. The officer will be positioned at the entrance/barricade to the Facility Building parking area to direct traffic and parking to nearby lots such as the parking area at end of Calvin and Donizetti streets.

An EMT will be on hand and stationed between Sprague Turf Field 3 and Grass Field 4.

WUSC will have a Tournament Headquarters Tent stationed between Sprague Turf Field 3 and Grass Field 4. WUSC will have a designated Field Marshall as well as WUSC Staff, Board Members, and volunteers cycling through to assist in answering any questions from tournament attendees and address any issues or complaints. They will also walk around the fields to engage and observe the attendees and the matches.

WUSC will place several bi-fold signs reminding attendees to respect the referees.

WUSC will place hand sanitizers stations around the complex.

**Trash Removal:**

WUSC and their volunteers will empty trash and recycling barrels currently located at the Sprague School and Field Complex during and after the event each day. All trash and recycling will be placed in the two dumpsters behind the Facility Building. We will ensure the fields are free of trash and debris after the tournament is over. WUSC will request to have the DPW recycling trailer placed between Sprague Turf Field 3 and Grass Field 4.

**Restrooms:**

There are currently two porta-potties next to the Facility Building. WUSC will add two more units there as well as six more units on the opposite side of the Facility Building. Six more units will be placed between the High School Baseball Field and the Sprague Tennis Courts.

**I = BARRICADES**

**O = CONES**

**Yellow = PARKING IN ADDITION TO MAIN LOT**

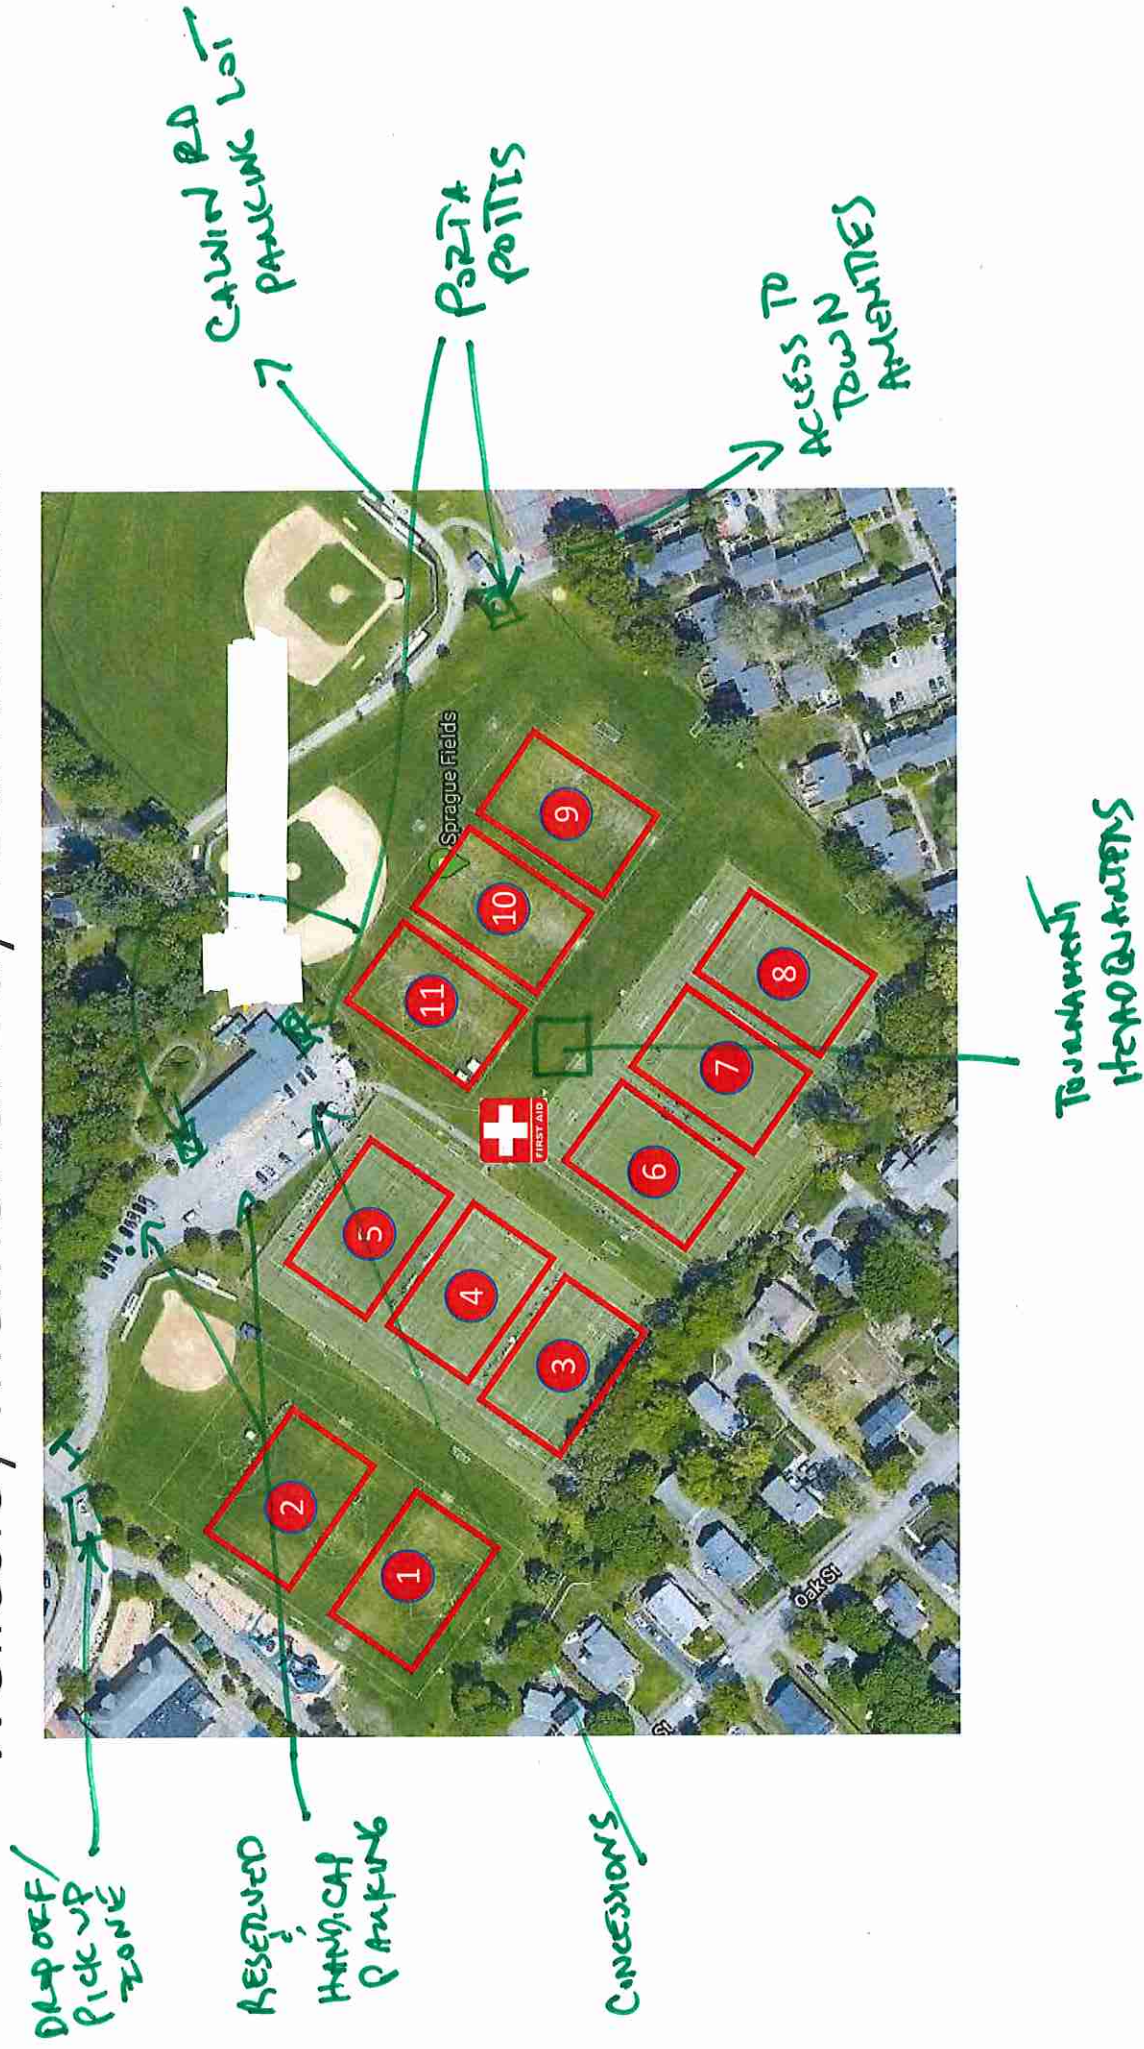

**Pink = PICKUP / DROP OFF**

**Red = LOCATION OF PEJA POTTERS. OTHERS WILL BE POSITIONED BY THE TENNIS COURTS**

## WELLESLEY FIELD PERMIT REQUEST INFORMATION

**Keep this for your records.**

### General Policies:

- No alcohol, no illegal drugs, no smoking and/or vaping.
- Public property may not be used to conduct a private business, unless certain requirements are met. The Recreation Director can aid you with this process. See "Public Facility Use for Private Gain Policy" at [www.wellesleyma.gov](http://www.wellesleyma.gov) click Government, click Recreation, click Facility & Fields, click Playing Fields Task Force & Field Applications, click Playing Fields Task Force Documents
- Users are responsible for any damage.
- Users are responsible for checking the Town website for field conditions/closures. Fields will be posted when closed during the spring, summer and fall seasons. Assume that fields are closed during the winter.
- If selling food, you must receive authorization from the Board of Health.
- In general, Wellesley fields do not have sanitary facilities.
- **WELLESLEY GREEN INITIATIVE:** The Playing Fields Task Force is partnering with Wellesley Green Schools on an important initiative to reduce waste on town fields. We require you to tell coaches, teams, family & friends, to help in the following ways: 1) Please ask players & visiting teams to BRING REUSABLE WATER BOTTLES TO ALL GAMES & PRACTICES; 2) Please consider eliminating the extra drinks & snacks that are often brought to practices & games (studies show that this has a positive health benefit as well); 3) Consider naming a team captain to oversee garbage collection & recycling or encourage players to clean up after themselves; and 4) Please remind players and visiting teams that the Town of Wellesley is committed to sustainable principles and has installed working water fountains & recycling bins at almost all Town fields.

- 13) All track and field rentals that are not charged per participant are figured in increments of 1.5 hours. Fees collected shall be deposited into the DPW Field Use Fund, unless otherwise noted or a rental of a turf field; revenue from turf field rentals shall be deposited into the Turf Field Fund.

## **General Field Use Rules**

### **Hours of Operation:**

Fields may be used until dusk with the exception of the lighted Multi-Purpose Field (at Hunnewell). Lights may remain on until 9:30 pm, except for Reidy Field, where lights may remain on until 9:45 pm. No play before 8:00 am on Sunday at any field that abuts homeowners.

### **Prohibited Activities:**

Any prohibited activities posted on signage at the High School track or any fields, consumption/possession of drugs or alcoholic beverages; use of fields beyond permitted dates or times; use of grass fields during wet field conditions or before they are declared available for use; and any activity that may cause field damage. Users must show good judgment when using fields and must stop play if the field shows damage during activity. Any group who causes damage to any field will be responsible for repair costs.

### **Field Closures:**

<http://www.wellesleyma.gov/1049/Playing-Fields-OpenClosed-Status> or call (781) 235-2370 for the latest field closures. If a field is closed, no use is permitted at all. The field status webpage and the hotline are for informational purposes only; field signage and/or direct communication from the Wellesley DPW Park and Tree Division (DPW) take precedence. Whenever possible, DPW will email user groups and post signs when fields are closed.

Please note that grass fields can be closed even when the weather appears good at the time because of standing water, previous damage or other field condition issues. The DPW, in consultation with the PFTF, will recommend when fields should be closed in order to rest them to prevent significant damage from overuse or for maintenance reasons.

### **Weather:**

Since lightning can strike up to 10 miles from a storm, users should seek safe shelter as soon as they hear thunder or see lightning. They should wait for 30 minutes without hearing thunder or seeing lightning before returning to the field.

### **Maintenance of Baseball/Softball Infields:**

Baseball/softball players and coaches are expected to groom the infields after each game and practice. Equipment for grooming is supplied and coaches are responsible for knowing the storage box combinations.

### **Litter, Trash and Recycling:**

All users are responsible for picking up any trash or litter on the field at the completion of their practice or game session regardless of whether this trash was there when they first got on the field or not. Pick up trash when you leave the field, even if it is not yours. Consider naming team captains at each practice or game to oversee litter collection and recycling.

Users are expected to use trash and recycling receptacles located on or near the fields or to take their waste home for disposal. If the group expects to generate excess trash, they must provide a means for removing trash themselves. Bring a trash bag with you to games and practices. Please pick up and recycle all plastic bottles. Inform coaches, players, players' families, and attendees at games and practices that there are water fountains at the majority of the active playing fields and that participants are strongly encouraged to utilize reusable and refillable water bottles for all practices and games.

The last group to use a field for the day is responsible for leaving a clean, litter free field. If you consistently find trash when you arrive at the field please contact the Recreation Director at (781) 235-2370, who will attempt to identify the users who might be leaving the field in such condition.

Users are urged to support the preservation and sustainability of Wellesley's playing fields through responsible use of the fields and respect for those who neighbor the fields. It is the responsibility of all coaches, managers, referees and parents to lead by example by educating our children on the proper use of field space and emphasizing the importance of caring for our community assets and maintaining a clean environment.

Concerns related to the maintenance/condition of the High School track or any field should be addressed to the Assistant Superintendent/Deputy Tree Warden of the Park Division at [dpw@wellesleyma.gov](mailto:dpw@wellesleyma.gov).
