

## Welcome to the Wellesley Free Library!

As an employee of the town of Wellesley you can sign up for a library card with the Wellesley Free Library. We are a part of the Minuteman Library Network, one of the biggest library networks in the state, consisting of over 40 libraries in the Metrowest region. If you already have a library card with Minuteman, then you have access to our entire collection at your convenience. You can also get access to WFL's online resources by letting us know you work for the town.
