Re: 2023 Pool Permit Applications

PLEASE MAIL YOUR PERMIT INFORMATION

RENEWALS DUE BY APRIL 21, 2023

Your current permit expires on APRIL 30, 2023

The State Department of Public Health currently has no COVID-19 restrictions in place for public and semi-public swimming pools. Any updates will be forwarded in a memo to all Pool Operators.

All public and semi-public pools must continue to meet the requirements of 105 CMR 435.00: Minimum Standards for Swimming Pools, State Sanitary Code: (Chapter V).

Please see the attached 2023 swimming pool permit application, or visit our website.
Include with your application:

1. Permit fees (make checks payable to the Town of Wellesley)
 - a. \$200 for seasonal pools
 - b. \$300 for annual pools
2. Bacteriological lab analysis for pseudomonas aeruginosa and coliform count
3. VGB cover installation dates
4. Lifeguard certifications
5. CPO certificate
6. Worker's Compensation form
7. Proposed opening date (if seasonal)

An opening inspection for seasonal pools must be conducted prior to any use of your pool(s).

Please contact us to schedule the inspection.

Water quality test results for coliform and pseudomonas must be available at the opening inspection. A State certified lab must perform the tests and the results must conform to standards listed in **105 CMR 435.28, State Swimming Pool Code**.

After your facility is approved to open, regular inspections will be conducted in accordance with **105 CMR 435.000, State Swimming Pool Code**. Violations must be corrected within the time frame noted on the inspection report, which is an official order for correction. **Reinspection fees** will be issued for any reinspection as follows: \$50 first reinspection; \$100 second reinspection and any subsequent reinspection.
