Select Board Guidelines and Procedures for Resolutions and Citation Requests

The Wellesley Select Board issues resolutions to recognize the significant milestones and achievements of individuals and non-profit organizations in our community and to honor occasions of significance in our Town. Citation certificates may be requested to recognize achievements or significant milestone celebrations for businesses in Wellesley. Proposed resolution and citation requests are reviewed on a case-by-case basis and are issued based on their compliance with the below guidelines. The Select Board reserves the right to decline requests at its sole discretion.

Resolution Guidelines

Resolutions may be requested to recognize significant events, ceremonies, or milestone celebrations for individuals or non-profit organizations within the Wellesley community. Resolutions are intended to foster good will and provide educational value for the community, and are signed by the Select Board. These may include:

- Recognition for organizations marking milestone anniversaries or achievements
- Recognition for key events such as Arbor Day, Town of Wellesley birthdays, or other occasions of significance in Town
- Recognition for individuals marking special honors or achievements such as a retirement, milestone birthday of 100-years or older, or in memoriam

Citation Certificate Guidelines

Citation certificates may be requested to recognize achievements or milestone celebrations for businesses in Wellesley. These citations are for recognition only and are not an endorsement of any business. Certificates are generally signed by the Select Board Chair and Town Executive Director. Citations are NOT read into the meeting record; the Select Board Office will keep an index of citations for reference.

- Citations are for Wellesley businesses marking significant achievements or major milestone celebrations such as business anniversaries
- Citations are issued using a certificate format
