*Installation estimate for a fabric clad beam building 70x120. There will be 7 frames with closed end walls and side walls. The foundation is expected to be at grade. The subsurface is expected to be suitable soil for driving our helical anchors. No concrete work is to be performed by our crew.*

*Installation Assumptions: Full site access for crew and equipment, Open site free from obstructions, No foundation work included in estimate, Sufficient room on site to unload and stage materials, Prevailing wage rate of \$89.02/hr expected.*

10	700007	PREVAILING WAGE RATE INSTALLATION HELICAL FOUNDATION	1.00	102,200.00	102,200.00
