Certification of Distribution

By signing below, I certify that I have distributed the enclosed Lead Service Line Notification and educational materials to all current occupants of the property listed above, and that the notice will be provided to all future occupants prior to occupancy, as required under 310 CMR 22.00 and the U.S. EPA Lead and Copper Rule (LCRR).

Please check all that apply:

- ☐ The property's service line material is classified as Unknown
- ☐ The property's service line material is classified as Galvanized Requiring Replacement (GRR)
- ☐ I have distributed the notification to all current tenants/occupants
- ☐ I will provide the notification to new tenants prior to occupancy
- ☐ The notification was distributed without alteration or modification

Method of Distribution (check all that apply):

- ☐ Hand-delivered to units
- ☐ Mailed to occupants
- ☐ Provided electronically(email / tenant portal)
- ☐ Posted in a common area and directly delivered to occupants

Date(s) of Distribution:

I certify under penalty of perjury that the information provided above is true and correct and that the required Lead Service Line Notification has been distributed in accordance with applicable state and federal drinking water regulations.
