Schofield Spring 2026 After School Enrichment Activity #225508

Hands on Science Lab

Instructor: Right Brain Curriculum

Serious Science Fun! Discover the excitement of STEM with our fun-filled, hands-on classes! Each week, your child will craft amazing projects—like rubber band guitars, paper airplanes, and catapults—while secretly mastering key science concepts. Guided by a captivating story, learning becomes an adventure they won't forget. Watch your child's love for learning soar as they explore, build, and discover in our exciting, story-driven classes! This isn't just science–it's Serious Science Fun!

8 weeks   **Min: 6 /Max: 10**

S#	Grade	Day	Time	Date	Price
01	K-3	Mon	3:10-4:10pm	3/30-6/1 (no 4/20 & 5/25)	$288.00

Monsters & Mythology

Instructor: CinemaKidz

Embark on a captivating journey through Greek and Roman mythology with CinemaKidz! Gods, heroes, and mythical creatures come alive through stop motion and live action films. Kids will dive into a classic myth of their choice to remake: building props, ruins, characters, costumes, and monsters. Once we've learned and practiced the FUNdamentals of Art Direction and Filmmaking from start to finish, participants then make their own Odyssey, as they write, plan, direct, and act in a short mythological film project. The class will culminate in a showcase of both written stories, video projects, and costumes and props to share with friends and family!

8 weeks   **Min: 6 /Max: 12**

S#	Grade	Day	Time	Date	Price
02	1-4	Mon	3:10-4:10pm	3/30-6/1 (no 4/20 & 5/25)	288.00

Chess

Instructor: Future Masters Chess Academy

This class is taught by our expert and master coaches. Our program is designed for children of all levels. Our focus is to use the royal game of Chess to improve every child's cognitive development which includes decision making, creative thinking and critical thinking skills. We are producing future masters and leaders.

8 weeks   **Min: 6 /Max: 12**

S#	Grade	Day	Time	Date	Price
06	1-5	Tues	3:10-4:10pm	3/31-5/26 (no 4/21)	$288.00

Wilderness Studios

Instructor: CinemaKidz

Step into the wild and become the star of your very own reality TV adventure! In this high-octane course, you'll transform into a wilderness expert as you master the secrets of building secret shelters, lighting fires (Using AI!), map making, orienteering, and navigating the great outdoors. But there's a twist—you aren't just surviving; you're filming the whole thing! From dreaming up a fearless "survivor persona" to designing an original game show structure, you'll use cameras, green screens, local outdoor locations, and editing gear to produce a thrilling action-packed show. Whether you're conquering rugged team challenges or adding epic effects in the editing suite, you'll learn exactly what it takes to bring a survival story to life from start to finish.

8 weeks   **Min: 6 /Max: 12**

S#	Grade	Day	Time	Date	Price
05	1-4	Tues	3:10-4:10pm	3/31-5/26 (no 4/21)	$288.00

Scratch Jr

Instructor: CodeAdvantage

Learning to Code is a critical skill for children to learn! Much like learning another language, it's best to have kids learn about programming concepts early and often! In our Scratch Jr class, kids will learn coding concepts including computer automation and linear sequencing. They will make short stories, apply elements of animation, and create their own sprites and objects – all using technology and coding fundamentals!

8 weeks   **Min: 6 /Max: 10**

S#	Grade	Day	Time	Date	Price
04	K-2	Thurs	3:10-4:10pm	4/2-5/28 (no 4/23)	$288.00

Roblox Game Design

Instructor: iCode

Create a game in Roblox, and share it with millions of kids around the country—what a great way to stay connected and make friends! Learn game design and block coding in this wildly-popular online platform; Roblox hosts user-created games in many genres, such as racing games, role-playing games, simulations, and obstacle courses. You'll design, develop, and test popular themes to build video games filled with characters, object interaction, and physics. Whether it's building a spaceship and racing it to Mars or creating a more down-to-earth game, Roblox is a great way to apply your creativity and new coding expertise

8 weeks   **Min: 6 /Max: 10**

S#	Grade	Day	Time	Date	Price
03	2-5	Thurs	3:10-4:10pm	4/2-5/28 (no 4/23)	390.00

Registration begins: Tues, 3/3 at 10am online

Register online at wellesleyrec.org. Search by **Activity #**. Please note that you will need to log in to sign up for classes. If you don't have a user account, you will have to call (781) 235-2370 and the Recreation Department will create a new account for you.
